#### **Ellie Falde Appointed as General Manager for the Lodge & Suites**

Chanhausen, Minn. (October 30, 2007) – AmericInn is coming soon to Waconia, Minnesota. Located at 550 Cherry Drive in Waconia, the 61-room Lodge & Suites will offer a quiet lodging environment with upscale amenities to the local community and traveling guests. The property ownership group, Waconia Mill IV and management company, Three Rivers Hospitality, LLC broke ground last spring and plans to open the hotel November 2007.

More than anything, weary travelers want a welcoming place to stay at the end of a long day. AmericInn provides comfortable accommodations, enjoyable amenities and most importantly, the quietest rooms in the business. "We are excited to offer guests upscale amenities that you won't find at other mid-priced hotels," said Ellie Falde, general manager of the new hotel. The new AmericInn will feature a spacious indoor recreation area with pool, whirlpool and sauna. Guests will enjoy the AmericInn Perk, a new breakfast concept that offers a coffeehouse vibe, quiet environment and an enhanced hot breakfast menu with a proprietary blend of coffee. Business and leisure travelers will also enjoy the business center, free wireless internet access and meeting room space accommodations.

"Delivering hospitality excellence will be our primary focus and it will be our pleasure to provide upscale lodging with exceptional service to each and every guest," adds Falde. Every AmericInn is constructed using exclusive AmericInn SoundGuard™ construction, the use of masonry blocks and other noise reducing materials between every room delivers noise control for a quiet room environment and a quiet night's rest for every guest. "I'm confident that the new AmericInn will not only meet, but will exceed guest expectations," Falde said.
